## APPRENTICESHIP STANDARDS

The Oregon State Apprenticeship and Training Council (OSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship or on-the-job-training program in the State of Oregon. Apprenticeship programs and committees function to administer, exercise or relinquish authority only with the consent of the OSATC and only apprentices registered with or recognized by the Oregon State Bureau of Labor and Industries (BOLI), Apprenticeship and Training Division (ATD) will be recognized by the OSATC. Parties signatory to these apprenticeship standards declare that their purpose and policy is to establish and sponsor an organized system of registered apprenticeship and training education.

These Standards are in conformity with and are to be used in conjunction with the Apprenticeship Rules, Chapter 839-011 OAR (Oregon Administrative Rules); Apprenticeship and Training Statutes, Chapter 660 ORS (Oregon Revised Statute); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which collectively govern the employment and training in apprenticeable occupations. They are part of the apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship.

If approved by the council, such amendment(s) and such changes as adopted by the council shall be binding to all parties on the first day of the month following such approval. Sponsors shall notify apprentices and training agents of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as it pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Bureau of Labor and Industries (BOLI) may recommend language that will conform to applicable law for adoption by the OSATC. The remainder of the Standards will remain in full force and effect.

See ORS Chapter 660 & OAR 839-011 for the definitions necessary for use with these Standards.

*Sections of the standard inside of a border are specific to the individual standard and may be modified by the sponsor by submitting a revised standard for approval by the Oregon State Apprenticeship and Training Council. All other sections of the standard are boilerplate and may only be modified by the Council.*

### I. GEOGRAPHIC AREA COVERED:

The sponsor only has authority to recognize training agents (employers) that maintain their principal place of business inside of the geographical area covered by these standards. Training agents that maintain their principal place of business outside of the geographical area covered by this standard may only be recognized as traveling training agents when working in geographic area covered by this standard. The Sponsor will ensure compliance with the provisions for traveling training agents and of any Reciprocity Agreement recognized by the OSATC. (See ORS 660.137 / OAR 839-011-0260 / OSATC Policy # 16)

The geographic area covered by these standards shall be Douglas County east of the Coast Range in the State of Oregon.

### II. MINIMUM QUALIFICATIONS:

Minimum qualifications must be clearly stated and applied in a nondiscriminatory manner (See ORS 660.126 (1b). Documentation must be provided for all minimum qualifications:

Age: 18 years

Education: High school graduate or GED recipient.  
Completion of a minimum of one year of high school algebra with a passing grade of C, or one or more post-high school algebra course(s) (equivalent to one year high school algebra) with a passing grade of 'C'; or college test scores equivalent to Math 65 Algebra

Physical: No Special Physical requirements

Testing: No Testing Requirement

Other: None

Note: Apprentices may be required by their employers to have a valid driver's license.

### III. CONDUCT OF PROGRAM UNDER OREGON EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP PLAN (OAR 839-011-0200):

Standards must include the Oregon Equal Employment Opportunity in Apprenticeship and Training Pledge (See OEEOA Section 4)

#### EEO PLEDGE

The sponsor will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.

Sponsors with five (5) or more apprentices in an apprenticeable occupation must adopt an Equal Employment Opportunity Plan and Selection Procedures and submit the plans for Council approval. (See OAR 839-011-0200 / Sections 5 & 6 of the Oregon Equal Employment Opportunity in Apprenticeship (OEEOA) / Council policy # 23).

#### A. SELECTION PROCEDURES:

The committee shall select apprentices from a pool of eligible applicants according to the following procedure: (ORS 660.137 (3) / OEEOA section 6)

1. All out of work apprentices in good standing will be offered the opportunity for re-employment prior to new applicants being registered in conformance with the committee's approved initial employment policy.
2. The committee will accept applications on a year-round basis, on dates and times specified by the committee.  
An application shall be made available to anyone who is interested regardless of any other consideration.
3. All applications shall be made available at a central point(s) as identified in the public notice. Dissemination shall be in accordance with the Area IV (Roseburg) Inside Electrical JATC's Affirmative Action plan. Notice of the opening shall be provided to the Bureau of Labor and Industries.

4. Whenever an application is provided to an individual, an electronic or paper record shall be made detailing to whom the application was provided, the manner by which it was provided (US Mail, in person, via fax or other electronic means). Such record shall also track the history of the application noting the date the application was provided to the individual, date it was returned to the program sponsor, and any final disposition of the application.
5. Individuals who complete the application and meet the minimum qualifications will be subject to an interview. Any applicant who fails to complete the interview will not be placed into the ranked pool of eligibles. Applicants who have not qualified will be notified in writing, with the reason(s) for rejection, the required minimum qualifications, and the appeal rights of the applicant.
6. Qualifying applicants will be ranked based on their interview and the application. These individuals will then be placed in a pool of eligibles in rank order and retained on the list for a period of 2 years.
7. The top three individuals (in descending order) will be placed on the "Accepted for Apprenticeship List." When two of those three have been employed, the next two individuals from the pool of eligibles (in descending order) will be brought onto the "Accepted for Apprenticeship List". Employers may only employ individuals from the "Accepted for Apprenticeship List" when the out-of-work pool is exhausted.

NOTE: In January of each year, the sponsor will review registrations for the previous year and must propose an adjustment in both the maximum number of individuals that may be placed on the "Accepted for Apprenticeship List" and the number of individuals that must be placed in employment prior to replenishing the "List" as outlined below:

The proposed number of individuals to be placed on the "Accepted for Apprenticeship List" will be three (3) or 20% of the total number of apprentices registered during the previous calendar year, whichever is greater. The proposed point to replenish the "List" may not be prior to the "List" dropping below 50% of the maximum number allowed on the "Accepted for Apprenticeship List."

8. When individuals have been accepted for apprenticeship, they will be given an "Employer Selection" document. The document must be completed and signed by the employer, then returned to the committee/sponsor. The applicant then signs and dates the apprenticeship registration.
9. An employer may hire one (1) apprentice from anywhere on the "Accepted for Apprenticeship List." The next new apprentice MUST be hired from the TOP of the "Accepted for Apprenticeship List" (after the out-of-work list is exhausted). Thereafter, the employer may alternate between choosing from anywhere on the "Accepted for Apprenticeship List" and the top of the List (after the out of work list is exhausted).
10. Individuals who are accepted for apprenticeship, but are not hired through the "Employer Selection Method," will retain their place on the "Accepted for Apprenticeship List" and they will be dispatched to employers requesting apprentices. The dispatching of individuals through this process will be in descending order. The order of applicants in the pool of eligibles will be resorted on July 1st of each year based on any additional information provided by applicants.
11. Prior to an apprentice being employed the committee must complete the registration agreement and insure the apprentice has the appropriate license.

12. Individuals on the "Accepted for Apprenticeship List" who refuse employment shall be removed from the pool of eligibles in accordance with the committee's Division-approved initial employment policy.

#### EXCEPTIONS

##### 2. EXPERIENCED APPRENTICE

Experienced apprentices, who have gained a minimum of one year or 144 hours of education and 1,000 hours of work experience within the past two years in an Oregon State Registered Electrical Program and left their committee in good standing, shall be permitted to return or to enter the program and, as far as practical, resume their training where they left off by being placed in the out-of-work pool, providing the apprentice meets the current minimum qualifications.

##### 3. NEW TRAINING AGENT

If an employer has not participated in the training of an electrical apprentice under ORS Chapter 660 for at least two (2) years prior to seeking entry or reentry into the apprenticeship program, the employer may select from those bona fide employees who have been on the employer's payroll for at least three hundred (300) hours prior to the employer's application for an apprentice and who meet the minimum qualifications for entry into the program any initial apprentices to be brought into the program. Once the initial selection is made, future apprentices must first come from the out-of-work list and then from the "Accepted for Apprenticeship List".

##### 4. PREVIOUS EXPERIENCE APPLICANT

Individuals who:

- 1) Establish a minimum of one year (2000 hours) valid previous legal experience and related training within the past five (5) years creditable to the term of apprenticeship; and
- 2) Meet the minimum entry qualifications; may apply at any time and be placed at the top of the pool of eligibles.

##### 10. SMALL EMPLOYER EXCEPTION

- a. Provided the use of this exception will not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, a family member, as defined below, who meets the minimum requirements for entry into the apprenticeship program and is otherwise eligible for selection as an apprentice under the selection method used by this committee may, with the consent of the applicant, be registered to a family business or the applicant's current employer without regard to whether another employer would otherwise be entitled to select the applicant.
  - (1) "Family business" means a business owned in whole or in part by a parent or grandparent of the applicant and has been in business under the same owners for at least one year.
  - (2) "Family member" means the son, daughter, grandchild, or spouse of the family business owner and does not include minor children placed in the care of foster care parents certified by the Department of Human Services.
  - (3) "Current employer" means a business with whom the applicant has been a full-time, regular employee for at least six (6) months before the applicant is selected into the apprenticeship program.

## 12. VETERAN'S ENTRY

Upon the following terms, the committee shall, at any time, consider an application for admission from a Veteran of the United States armed forces:

- The applicant must meet the minimum qualifications of this program;
- The applicant must have been a member of the Regular Service and possess a DD-214 indicating an Honorable Discharge;
- Or, the applicant must have been a member of the Selected Reserve, or Individual Ready Reserve, and possess a DD-214 indicating an Honorable Discharge;
- Or, the applicant must have been a member of the National Guard, and possess a DD-214 indicating an Honorable Discharge.

Individuals qualifying under this exception will be scored and placed among the ranked pool of eligibles.

## B. EQUAL EMPLOYMENT OPPORTUNITY PLAN:

1. A sponsor's commitment to equal opportunity in recruitment, selection, employment and training of apprentices shall include the adoption of a written affirmative action plan. (See OAR 839-011-0200 / OEEOA sections 5 a, b and c)
2. In addition the sponsor will set forth the specific steps that it will take under this plan, review and update the specific steps that it will take to implement the plan at least yearly and submit the updated steps to the Apprenticeship and Training Division (ATD) for review and approval. (OEEOA section 5 & 8)
3. Numerical goals and timetables for the selection of minority and female apprentices shall be included with the sponsor's annual updated steps. (OEEOA section 5 & 8)
4. The sponsor hereby adopts the following activities in order to enable it to meet its affirmative action obligations.

### 5.

#### 1. DISSEMINATE INFORMATION

Dissemination of information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship application, and the equal opportunity policy of the sponsor. For programs accepting applications only at specified intervals, such information shall be disseminated at least 30 days in advance of the earliest date for application at each interval. For programs customarily receiving applications throughout the year, such information shall be regularly disseminated but not less than semiannually. Such information shall be given to Council, local schools, employment offices, women's centers, outreach programs and organizations that can effectively reach women and minorities, and shall be published in newspapers circulated in the minority community and among women, as well as the general areas in which the sponsor operates.

#### 2. PARTICIPATE IN ANNUAL WORKSHOPS

Participate in annual workshops to familiarize educators, career counselors, employment service representatives, and other appropriate personnel with apprenticeship in general as well as current opportunities.

3. PREPARE STUDENTS FOR ENTRY INTO APPRENTICESHIP  
Cooperate with local schools and vocational education systems to develop programs for preparing students to meet the standards and criteria required to qualify for entry into apprenticeship programs.
4. INTERNAL COMMUNICATION  
Communicate the equal opportunity policy in a manner to foster understanding, acceptance and support among the committee's members, training agents, and apprentices and to encourage those people to take the action necessary to meet the committee's affirmative action commitments.
5. OUTREACH  
Engage in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeship. The committee will identify other apprenticeship program sponsors and community organizations with whom they may collaborate. The sponsor will seek out and support programs to prepare and encourage women to enter traditionally male occupations.
6. ESTABLISH AND USE PRE-APPRENTICESHIP PROGRAMS  
Encourage the establishment and utilization of programs of pre-apprenticeship, preparatory trade training, or others designed to afford related work experience or to prepare candidates for apprenticeship. Make appropriate provision in the affirmative action plan to assure those who complete such programs are afforded full and equal opportunity for admission into the apprenticeship program.
7. UTILIZE JOURNEY WORKERS IN AFFIRMATIVE ACTION  
Include journey level workers in the implementation of the affirmative action plan.
10. PREVENT ILLEGAL DISCRIMINATION  
Take other appropriate action to ensure that decisions regarding recruitment, selection, employment, and training of apprentices are job-related and without illegal discrimination because of race, color, religion, national origin, disability, age, or sex.

C. DISCRIMINATION COMPLAINTS:

1. Any apprentice or applicant for apprenticeship who believes they have been discriminated against with regards to apprenticeship by the committee may file a complaint. (See OAR 839-011-0200 / OEEOA Section 11)
2. The basis of the complaint may be:
  - a. Discrimination on the basis of race, sex, color, religion, national origin, age, disability or as otherwise specified by law by a sponsor or a sponsor's program
  - b. The equal employment opportunity plan has not been followed; or
  - c. The sponsor's equal employment opportunity plan does not comply with the requirements of the Oregon Equal Employment Opportunity in Apprenticeship Plan.

3. Any such complaint must be filed with the Director of the Apprenticeship and Training Division (Secretary of the OSATC) in writing within 180 days of the alleged illegal discrimination or specified failure to follow the equal opportunity requirements.
4. The written complaint must include the name, address and telephone number of the person allegedly discriminated against, the sponsor involved and a description of the circumstances of the complaint.
5. For complaints dealing with program operations see section X of this document.

#### IV. TERM of APPRENTICESHIP:

1. The term of apprenticeship will not be less than 2,000 hours of work experience in the apprenticeable occupation identified in this Standard. (See ORS 660.126 (d))
2. The term of apprenticeship must be stated in hours unless otherwise required by a collective bargaining agreement, civil service or other governing regulation. (See ORS 660.126)
3. The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. (See ORS 660.137 (4))
4. When the apprentice is granted advanced standing, the employer must pay the apprentice at the appropriate wage per the wage progression schedule specified in these standards. (See ORS 660.142)

NOTE: In licensed occupations the apprentice must complete the minimum hours of documented legal experience.

The term of apprenticeship shall be 8,000 hours of employment.

#### V. INITIAL PROBATIONARY PERIOD:

1. All apprentices are subject to an initial probationary period, stated in hours of employment during this time; an apprenticeship agreement may be terminated without cause. It is the period following the effective date of the apprentice's current registration into the program and during which the apprentice's appeal rights are restricted. (See ORS 660.126 (1g))
2. The initial probationary period must be reasonable in relationship to the full term of the apprenticeship unless otherwise required by Civil Service, CBA or law. It cannot exceed one year (12 months) or 25 percent of the length of the program, whichever is shorter. (See ORS 660.126 (1g))
3. During the initial probationary period either party to the agreement may terminate the apprenticeship agreement upon written notice to the Apprenticeship and Training Division of the Oregon Bureau of Labor and Industries. (See ORS 660.126 (1g) & ORS 660.060 (6))
4. An appeal process is available to apprentices who have completed the initial probationary period. (See ORS 660.060 (6) & (7) and section X of this standard)

The probationary period shall be the first 2,000 OJT hours of employment, or one year after the current registration to this standard, whichever is shorter. (See ORS 660.126 (g))

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

1. There shall be a maximum numeric ratio of apprentices to journey-level workers consistent with proper supervision, training, safety and continuity of employment. (See ORS 660.126 (1f))
2. The ratio shall be specifically and clearly stated as to its application to the job site, workforce, department, shift, plant or combination therein. (See ORS 660.126 (1f))
3. The Sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. (See ORS 660.126 (1f), OAR 839-011-0140 (2g), OAR 839-011-0360)

The first person assigned to any job site shall be a journeyman.

Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Journeyman or fraction thereof. (see example)

In no case shall the number of apprentices exceed the number of journeymen on the job.

A job site is considered to be the physical location where employees perform their work assignments. The employer’s shop (service center) is considered to be a separate, single job site when preparation work is performed. All physical locations where workers perform work are each considered to be a single, separate job site.

Example:

Number of Journeymen	Maximum Number of Apprentice(s)
1 to 3	2
4 to 6	4
7 to 9	6

VII. APPRENTICE WAGES and WAGE PROGRESSION:

1. The apprentice shall be paid according to a progressively increasing schedule of wage based on specified percentages of the average journey-level wage consistent with skills acquired. (See ORS 660.126 (1h))
2. Wage progressions shall be indicated in hourly or monthly periods (the registration agency recommends the use of hour periods) set by the Sponsor. (See ORS 660.126 (h))
3. The entry wage will not be less than the federal or state minimum wage rate, whichever is higher. (See ORS 660.142 (4))
4. The wage listed in this standard at all periods establishes a minimum and a higher wage may be required by other applicable federal law, state law, respective regulations, or by a collective bargaining agreement. (See ORS 660.126 (1h), ORS 660.137 (6), ORS 660.142 & OAR 839-011-140 (2f))

5. The sponsor must re-determine the average journey-level wage at least annually and submit the new average journey wage to the Director of the Apprenticeship and Training Division with a statement explaining how such determination was made and the effective date of the new average journey wage. (See ORS 660.137 (6))
6. Upon approval by the Director, the Division will notify all training agents and apprentices of the new wage. (See ORS 660.142 (2))

The average wage for those journey-level workers employed by the participating employers in this occupation on **November 1, 2019** is \$ **34.07** per **hour** .

Period	Number of required hours	% of the journey level rate
1 <sup>st</sup>	1,000	40
2 <sup>nd</sup>	1,000	50
3 <sup>rd</sup>	1,000	55
4 <sup>th</sup>	1,000	60
5 <sup>th</sup>	1,000	65
6 <sup>th</sup>	1,000	70
7 <sup>th</sup>	1,000	75
8 <sup>th</sup>	1,000	80

**VIII. WORK PROCESSES:**

1. The apprentice shall receive the necessary instruction and experience to become a journey-level worker versed in the theory and practice of the occupation. (See ORS 660.155 / ORS 660.157 / OAR 839-011-0360)
2. The following is a condensed schedule of work experience that every apprentice shall follow as closely as conditions will permit. (See ORS 660.126 (1c) OAR 839-011-0360; OAR 839-011-0140)

NOTE: In licensed occupations apprentices must complete the minimum required total hours prior to being referred to the license examination.

NOTE: The committee realizes that the completion of 8,000 hours of on-the-job training is the ideal, but recognizes that most apprentices will not be able to fulfill the total amount of hours specified in every work process as set forth in this standard. When an apprentice is unable to fulfill the total work hours in each work process the committee will evaluate the apprentice's knowledge, skills and abilities and provide appropriate additional related instruction to assure that competency is acquired in each work process. The evaluation and summary of the additional instruction will be noted in the apprentice's file.

#### IX. RELATED/SUPPLEMENTAL INSTRUCTION:

1. The apprentice must attend related/supplemental instruction for at least 144 hours per year unless otherwise stated in this standard. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not required to be paid for time so spent. (See ORS 660.126 (1e))
2. The Committee must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Oregon OSHA regulations and applicable federal and/or state regulations. (See ORS 660.137)
3. In case of failure on the part of any apprentice to fulfill the related instruction obligation, the sponsor has the authority to withhold the apprentice's periodic wage advancement; or with a reasonable opportunity to remedy deficiencies, suspend, or cancel the Apprenticeship Agreement. (See ORS 660.157 (4))

1. Local committee rules or policies and any employment requirement such as driver's license, drug test etc. will be located in this section.
2. The committee may include provisions for committee-imposed "disciplinary probation," which is a time assessed when the apprentice's progress is not satisfactory; a "disciplinary probation" may only be used to provide an opportunity for the apprentice to correct deficiencies and cannot affect the apprentice's appeal rights after the initial probation is completed. ( See ORS 660.137 (4))

3. During disciplinary probation the committee may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take other disciplinary action. ( See ORS 660.137 (4) )
