Standards of Student Conduct Students of Umpqua Community College are expected to conduct themselves in a manner compatible with an educational environment and in accordance with standards of the College that are designed to perpetuate its educational purposes. The College, because of its responsibility to provide a safe and supportive learning environment, has certain obligations that need to be reflected as rules in the governance of student conduct and discipline. The provisions of the Standards of Student Conduct are not to be regarded as a contract between the students and the College. The College reserves the right to amend any provision herein, at any time, in accordance with established College policies. Communication of any changes will be made to the College community in an appropriate and timely fashion. The Standards of Student Conduct will apply to conduct which occurs on College premises, including hybrid and online classes, and to conduct which occurs elsewhere during the course of a College-sponsored function or activity, or at functions sponsored by the College. Off-campus behavior that adversely affects the College and/or the pursuit of its objectives may also be subject to the Umpqua Community College Standards of Student Conduct. The President will establish procedures for the imposition of discipline on students in accordance with the requirements for due process of the federal and state law and regulations. The Dean of Students is responsible for the administration of the Standards of Student Conduct. In the absence of the Dean of Students, the President will appoint a designee to administer the Standards of Student Conduct.

Campus Security

UCC conforms with the Crime Awareness and Campus Security Act of 1990, Title II of Public Law 101-542 which states all criminal actions and other emergencies occurring on campus be reported to Campus Security. All criminal actions and other emergencies which occur at off-campus, college activities are also to be reported to Campus Security. Information of criminal actions will be forwarded to the Douglas County Sheriff's office or the appropriate local police agency in whose jurisdiction the incident occurred.

When fully staffed, four full-time Security Officers and three part-time security guards maintain 24/7 security to the campus community and are responsible for the protection of persons and property on campus.

All Security Officers are well-trained and licensed by the Oregon Department of Public Safety Standards and Training. While on campus, they are empowered to conduct investigations, contact local safety authorities, and are also responsible for the physical security of the campus buildings and facilities. They assist with providing a safe campus environment, detecting and reporting safety/fire hazards, enforcing traffic and parking regulations and promoting crime prevention.

Campus Security closely coordinates its activities with the Douglas County Sheriff's Office and/or agencies with jurisdiction. The College annually collects and discloses information relating to campus security procedures and practices.

Individuals on campus, including students, employees, and visitors should take active responsibility for their personal property. The College maintains its grounds and lighting to ensure the campus is as secure as possible.

UCC works with appropriate law enforcement agencies to reduce the opportunity for sexual assault on campus or at off-campus events sponsored by the College. Students may obtain information about registered sex offenders through the UCC Director of Security.

UCC Security Department offers these helpful tips:

- Park in a well-lighted area.
- Be smart! Always lock car. If a student is on campus after dark, move the car to a closer parking space before a night class.
- Buddy up — have classmates walk together to car, then drive them to theirs. Security Officers are also available to escort students to their vehicle.
- Know the location of telephones and blue-light telephones.
- Be aware of surroundings. If a student notices anything, or anyone, who appears suspicious, report it to Security by dialing 541-440-7777 (7777 on-campus phones).

Procedures for Reporting Crimes:

If a crime occurs on campus, report it to Campus Security as soon as possible.

Drug and Alcohol Policy

Alcohol/Drug Free Environment

UCC is committed to maintaining an effective learning environment free from the devitalizing influences of alcohol and drug abuse. The unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on college property or as a part of any of its activities is strictly prohibited. UCC will impose disciplinary sanctions on students and employees (consistent with local, State and Federal law), up to and including expulsion or termination of employment and referral for prosecution for violations of college policies. Information about applicable legal sanctions, description of health risks, and resources for treatment is made available for all employees through the Human Resources department 541-440-4626.

UCC is dedicated to providing a learning environment for students that is safe and free of the detrimental influences of drug and alcohol abuse.

The abuse of drugs and alcohol by individuals constitutes a serious threat to their physical and mental well-being and may significantly impair performance. Although the college recognizes drug and alcohol dependencies as illnesses and major health problems, drug and/or alcohol abuse at UCC is considered unacceptable behavior because it negatively affects the productivity, safety and security of the college.

Therefore, in order to foster a safe, healthful, and secure campus environment, it is UCC's intent and obligation to provide appropriate drug and alcohol related procedures, educational resources, prevention-focused activities and referral services. In addition, when necessary, the college will impose sanctions.

Actions taken with respect to students shall be consistent with rights afforded individuals under college policy, state and federal statutory, regulatory and constitutional provisions.

The college's premises are defined as any building, room, outdoor space, or vehicle that is owned, rented, leased or used by the college.

In keeping with this commitment, students are expected to comply with the following procedures:

- A. Students are expected to report to class in a condition that is conducive to learning. Any student under the influence of alcohol or controlled substances (as defined by federal and state statutes) while on the college's premises or on college-sponsored activities will be subject to sanctions which may include suspension or expulsion from the college.
- B. The unlawful manufacture, distribution, or possession of a controlled substance (other than a drug prescribed by a physician) by any student while on college business or while on the college's premises is prohibited and may constitute grounds for suspension, expulsion from the college, and referral to appropriate law enforcement agencies for prosecution.
- C. Students experiencing problems resulting from drug, narcotic, alcohol abuse, or dependency should make use of appropriate

community resources for dealing with their specific situation.

Although the college recognizes that alcohol and drug abuse can be treated and is willing to work with students who may suffer from such problems, it is the student's responsibility to seek assistance before drug or alcohol problems lead to academic problems.

Tobacco Free Campus Policy

UCC acknowledges and supports the findings of the Surgeon General that tobacco use in any form, active and passive, is a significant health hazard. The College further recognizes that environmental tobacco smoke has been classified as a Class-A carcinogen. In light of these health risks, and in support of a safe and healthy learning/working environment, the following restrictions shall be placed:

1. Smoking or other tobacco usage is not permitted inside the perimeter of any UCC property. This includes all College sidewalks, landscaped areas, recreational areas, buildings on UCC property, and any leased or rented facilities. Designated smoking areas will be provided near parking lots on the outside perimeter of campus.
2. Improper disposal is prohibited and includes but is not limited to:
 - Spitting smokeless tobacco product
 - Littering (i.e. discarded cigarette butts, throwing cigarette butts out of windows, leaving spit container)
 - Anything that creates fire hazards
3. The inhaling, exhaling, burning, or carrying of any lighted smoking material, including cigarettes, cigars, or pipes, is prohibited in all areas not designated for smoking, and in vehicles owned or operated by UCC. The use of other tobacco products, such as smokeless or chewing tobacco is also prohibited.
4. The sale of tobacco products or tobacco-related merchandise is prohibited on College property.
5. The free distribution (sampling) of tobacco products and associated products is prohibited at College facilities or events.
6. Sponsorship of campus events by organizations that promote tobacco use is prohibited.
7. Advertisement of tobacco products and printed materials on campus is prohibited regardless of sponsorship.
8. Tobacco use on college property or improper disposal of smoking materials may result in disciplinary action or a \$25 fine.

More information on UCC's tobacco policy, related fines, and the appeal process is available at umpqua.edu/tobacco-use-policy, or in the Tobacco-Free Campus brochure.

Emergency Notification

In addition to making public announcements of closure by radio and on its website: umpqua.edu, UCC is also able to notify students, faculty, staff and community members by phone, cell phone, email and text of issues regarding access to campus. Students, staff and faculty are automatically added

to the AlertSense system. AlertSense is a streamlined, efficient data-based emergency notification system which can notify thousands of an emergency or campus closure within minutes. Secure technology and privacy controls utilize the highest security protocol possible (SSL). Students can opt out, add or change their information anytime through Self-Service Banner by following the steps printed here: umpqua.edu/emergencies. Community members can also be added to the system by contacting the Facilities Office.

Enrollment Limitations

All courses, course sections, and classes offered at Umpqua Community College shall be open for enrollment to any person who has been admitted as an undergraduate student. Enrollment may be subject to any priority system that has been established. Enrollment may also be limited to students meeting properly validated prerequisites and corequisites, specialized program admission requirements, or due to other practical considerations such as exemptions set out in statute or regulation.

FERPA

Student Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) gives all matriculated students certain rights regarding their education records. Students have the right:

- To inspect and review their education records. They may request to review their education records by submitting a written request to the Registrar or other school official having custody of such records. The College will normally comply with their request to inspect their education records within ten days, but in no case more than 45 days from the request;
- To seek amendment of a student's education records that they believe are inaccurate, misleading, or otherwise in violation of their privacy rights. Requests for amendment of education records must be in writing and must describe the specific portions of specific records they wish to have amended, text or instructions as to the change desired, and the reasons why the change is justified;
- To consent to disclosure of personally identifiable information contained in their education records, except for when consent is not required by FERPA. FERPA does not require a student's consent when disclosure is to other school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position; a person or company with whom the college has contracted or appointed as its agent; or a student serving on an official committee or assisting another school official in performing the official's tasks. A school official has a legitimate educational interest if the official needs to review an education record to fulfill their professional responsibilities. Other exceptions include: to schools in which a student seeks or intends to enroll, to Federal, State, and local authorities involving an audit or evaluation of compliance with education programs, in connection with financial aid (such as the administration or continuation of aid),

to individuals or organizations conducting studies for or on behalf of an educational institution, to regional or professional accreditation organizations, to comply with a judicial order or subpoena, in the event of a health or safety emergency where the information is required to resolve the emergency. FERPA also allows the disclosure of a student's directory information without consent, but a student may request that their directory information not be released. If a student wishes to make such a request, they must do so according to the procedures outlined in the following section under the heading "Directory Information";

- As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which a student's education records and personally identifiable information (PII) contained in such records - including a Social Security Number, grades, or other private information - may be accessed without a student's consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities:") may allow access to a student's records and PII without their consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program and job training, as well as any program that is "principally engaged in the provision of education," such as early childhood and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to a student's education records and PII without their consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive a student's PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without a student's consent, PII from their education records, and they may track a student's participation in education and other programs by linking such PII to other personal information about a student that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
- To file a complaint with the Department of Education, Family Compliance Office, concerning alleged failures by the college to comply with the requirements of FERPA.

Sexual Harassment Policy

This policy is undergoing revision in the 2021-2022 year; please check the webpage for the most up-to-date version.

UCC is committed to providing all employees and students with the opportunity to work and learn in an environment free from discrimination, including harassment. It is a violation of college policy for any employee or student to engage in harassment of any other college employee or student.

Sexual harassment includes any sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when, either explicitly or implicitly:

- A. It is made a condition of employment or a basis for employment decisions regarding students or staff or
- B. It is made a condition for a student's enrollment, evaluation, or satisfactory progress in a class or program; or
- C. Such behavior unreasonably interferes with a student or staff member's academic or work performance by creating an intimidating, hostile, or offensive learning or work environment.

UCC employees and students who feel they have been subjected to sexual harassment are encouraged to first pursue an informal resolution to their complaint. Employees should bring their concerns to the attention of their supervisors, Human Resources, Dean of Students, or the college Affirmative Action Officer.

Students are encouraged to discuss their concerns with a college counselor or the Dean of Students. Every effort will be made to maintain confidentiality for both the complainant and the accused at the informal level.

If the situation is unresolvable by informal means, employees and students should promptly seek assistance from the college Affirmative Action Officer and follow the formal discrimination grievance procedures. Impartial replacements will be selected by the President in the event that a member of the Personnel/Affirmative Action Committee is the alleged harasser.

UCC supervisors are responsible for promoting an environment that is free from sexual harassment.

UCC will thoroughly investigate all reported incidents of sexual harassment. Employees or students found to be in violation of this policy will be subject to immediate discipline, including possible termination or suspension from the college.

UCC will not tolerate retaliation of any kind against employees or students based upon their allegations regarding sexual harassment. Retaliatory behavior will be considered a breach of this policy and will be dealt with accordingly.

Employees and students should be aware that formal allegations

of sexual harassment carry potentially serious consequences to the person charged. Such allegations should be made if warranted, but should be made with accuracy and truthfulness.

Social Security Number (SSN), Use of

OAR 589-004-0400 authorizes UCC to ask a student to provide their Social Security Number. The number will be used by the college for reporting, research, and record keeping. Their number will also be provided by the college to the Oregon Community College Unified Reporting System (OCCURS), which is a group made up of all community colleges in Oregon, the State Department of Community Colleges and Workforce Development, and the Oregon Community College Association.

OCCURS gathers information about students and programs to meet state and federal reporting requirements. It also helps colleges plan, research and develop programs. This information helps the colleges to support the progress of students and their success in the workplace and other education programs. OCCURS or the college may provide a student's social security number to the following agencies or match it with records from the following systems:

- State and private colleges, universities, colleges and vocational schools to find out how many community college students go

on with their education and to find out whether community college courses are a good basis for further education;

- The Oregon Employment Department, which gathers information, including employment and earnings, to help state and local agencies plan education and training services to help Oregon citizens get the best jobs available;
- The Oregon Department of Education, to provide reports to local, state, and federal governments. The information is used to learn about education, training, and job market trends for planning, research, and program improvement.
- The Oregon Department of Revenue and collection agencies only for purposes of processing debts and only if credit is extended to a student by the college.

State and federal laws protect the privacy of student records. A student's number will be used only for the purposes listed above.
